Greek Track

Greek Track If you haven't yet started using GreekTrack, the following video will help walk you through the steps to setting up your account and using GreekTrack to get things done. https://youtu.be/lauI_N-XFes It is important that as a bare minimum, chapter members and advisor names and emails be entered in GreekTrack. Your Region Councilor, Collegiate Representative, and others on the National Council will be using GreekTrack to send important information to you and your chapter. If your information is not current, you will miss these important notifications. And please encourage your chapter officers to use it as much as possible! If you experience any difficulties with GreekTrack, please let us know. We are glad to help.
